

BE HAPPY EVERYDAY ABSOLUTELY

As we begin our learning journey in 4 year old Green kindergarten group we say these special words together "Be happy every day". One of the children used a great word "Absolutely" so we thought we would add it on too. We have a few routines to help us through the day and the children have progressed well with the encouragement from family and Educators Jenny and Jennifer. We have introduced our wise Owl into the room and we play "Owl Babies" by Martin Waddell Cd story during our quiet time. Our photo board with birthdays will also reflect Owls in our Learning tree and together we can grow.

Our main literacy and science focus is "positional and directional words" that is words and objects representing the opposite to each other. We have had lots of fun working through these words and hope the children are using these terms with you in the car and at home.

Educators: Jenny and Jennifer .

Term 1 Weeks 1-3 Green group kindergarten 2017.

Outcome 1: : Identity: Children feel safe, secure and supported as we use effective routines to help make predicted transitions smoothly. The children have confidently explored and engaged with their social and physical environments through meaningful relationships and play.

National Quality Standard: **Area 1: Educational program and practice : 1.1.3** The program, including routines is organised in ways that maximise opportunities for each child's learning.

Area 6: Collaborative partnerships with families and communities. 6.2.1 The expertise of families is recognised and shared in the decision making about their child's learning and wellbeing..
